

# Disappearance of Madeleine McCANN in Praia da Luz, Portugal, on 03/05/2007 – call for witnesses

## MURDER

### **BKA and Braunschweig Public Prosecutor's Office are conducting investigative proceedings for suspected murder against a German suspect**

On 03/05/2007, then 3 year old Madeleine (Maddie) Beth McCANN disappeared without a trace from a hotel complex in Praia da Luz, Portugal.

In this connection, on behalf of Braunschweig Public Prosecutor's Office, the Bundeskriminalamt is conducting investigative proceedings for suspected murder against a 43-year old German national currently in detention in a different matter.

The suspect lived more or less permanently in the Algarve between 1995 and 2007. For several years, he lived in a house between Lagos and Praia da Luz, among other places. He had several occasional jobs, among other things in the gastronomy business, in the Lagos area in this time period. In addition, there is information suggesting that he also earned his living by committing criminal offences, such as burglaries of hotel complexes and holiday flats as well as trafficking in narcotic drugs.

Furthermore, the suspect was sentenced on numerous occasions to prison terms for sexual abuse of children in the past. This fact is probably not known to most of the contact persons.

The investigating authorities know of several vehicles used by him, his points of contact and a Portuguese mobile phone number.

The Bundeskriminalamt and Braunschweig Public Prosecutor's Office ask for your assistance in further clarifying the circumstances of the offence.

**For information that leads to the investigation of the deed, a reward of € 10,000 is awarded. \***
