## WHO KNOWS THIS BOY?

### A Child's Body Found in Danube

On Thursday, May 19, 2022, the body of a boy aged 5 to 6 years was found in the Danube River near Großmehring.

The identity of the child has not yet been established. He was about 110 cm (3'02" ft) tall, weighed about 15 kg (34 lbs), had brown hair and blood type 0.

The stone as shown, of the brand Diephaus "Natura Vigo", was found together with the child's body.
