Overview - 4 sections

1. Interpol profile

- global perspective, firm foundations and core functions

2. The Challenge and The Opportunity

- criminality is changing dramatically - we have to change to sustain safety/security

3. Situation Assessment

- what can we learn from West Africa 2009
- huge investment of funding - what return, what results, what changes?

4. Beyond the OASIS

- integrated responses
- leverage potential for the future

Vision - INTERPOL - “facilitated leadership” role

- **Sustainable Global Policing**
 - Empower police through skills enhancement, equipment and technology
 - Create capacity where it is most needed and can be most effective
 - Develop infrastructure to connect policing and security agencies worldwide
 - Facilitate strategic criminal analysis capability for multi-disciplinary, joint forces operations
